

## *Dog-Friendly 'Escape to Anglesey' Tan Bryn Cottage and Tan Goeden Shepherd's Hut*

*When we say 'dog-friendly,' we mean 'dog-friendly' because we believe that, as with our pets, your dog is important to you and the enjoyment of your holiday.*

*Accordingly we make all visitors and their dogs very welcome here at 'Escape2Anglesey' beginning with a bowl of fresh water by the door and dog treats, as well as treats for you, included in our welcome hamper.*

*We can provide you with dog beds and feeding bowls if you require them and we have lots of dog towels for drying off after a walk or swim in the sea. Should you return with a muddy dog we also have outside taps, hose pipes and doggy shampoos. We also have spare leads if needed.*

*The health and safety of all animals is paramount! All our animals are fully vaccinated and regularly wormed. The garden and orchard are fully fenced so both cottage and shepherd hut guests can relax knowing their pets, when they're not inside lying in front of the wood-burner that is, are safe outside.*

*There are several dog walks in the area so no need to get in the car and go to the beach if you don't feel like it. However, if you do want to go further, there are lots of dog-friendly beaches to explore, many within an easy drive but be aware that some of the sandy beaches do have restrictions during the tourist season.*

*In the event of your pet getting sick, we have excellent veterinary services to hand including a 24 hour emergency service and of course, we are always here to help. We have poo bags, disinfectant and a stiff drink for you if needed!*

*We hope you and your pet enjoy your holiday but request that dogs are well behaved and pony, sheep, duck and chicken friendly. We are in a rural part of Anglesey so please keep your pet under control and on a lead when necessary.*

*It goes without saying that we expect all dog owners to pick up after their dog, including on our land too.*
